FROM PRESIDENT'S DESK

Shri. Dhirubhai Mehta

It was in the mind of the Ramji Assar Vidyalaya from the beginning to promote higher education up to Post-Graduation from over a decade Laxmichand Golwala College of Commerce & Economics could see the light of the day with the untiring efforts of the office bearers of the Vidyalaya, well-wishers and support of Hon'ble Late Shri. R.R. Patil, former Deputy Chief Minister of Maharashtra and Hon'ble Shri. Arunbhai Gujarathi, former Speaker Maharashtra Legislative Assembly.

We were fortunate in having a spontaneous generous donation for the college from Late Mansukhlal Vasa (Golwala) illustrious son of Late Sheth Laxmichand Golwala who without any hesitation gave a very handsome and generous donation for the College. Our degree college is named after his dear Father Late Sheth Laxmichand Golwala. It must be noted that Late Mansukhlal Vasa (Golwala) was the 1st past student of Ramji Assar Vidyalaya and as anxious to repay the obligation to the school for the education he had from the school. He seized the opportunity with great pleasure. It will not be out of place to mention the support of our President Late Shri Gordhandas B. Dutia and Late Vice resident Shri. Bhupatbhai B. Parekh. They took great interest and follow-up by our Hon. Secretaries Shri. Devendrabhai

Shah, Shri. Ramesh Bhai Zaveri, Shri. Jitu Bhai Dutia and the members Smt. Bhanuben Lathi, President and Secretary Shri. Subodhbhai Vora of Ramji Assar Vidyalaya Vali Mandal.

The College was inaugurated on 15th August 2009, a very auspicious day for us all. The sanction for the college came from the University of Mumbai and the Government of Maharashtra under the challenging time frame for the establishment of the College. We have started M. Com (Accountancy) and M. Com (Banking and Finance) and the innovative programmes like Investment Management, Transport Management and other job-oriented programmes we are planning to start from the next academic year within the rules and regulations of the university of Mumbai and the Government of Maharashtra.

The Ramji Assar Vidyalaya Wadi Trust, the parent body is pleased and proud to have full-fledged campus where a student joining the Nursery class goes from the prestigious University of Mumbai. I think the College Magazine "LGC-Mirror" is a very effective medium to educate the community at large and it will also serve as the media for the students to see and work for the well-being of the college. Congratulations to the Editors of the Magazine.

FROM I/C PRINCIPAL'S DESK

Dr. Vijay Mahida

It gives me immense pleasure to convey my sincere gratitude to RAV Management for bestowing such confidence and placing trust in me to serve Laxmichand Golwala College as its In-charge Principal.

It has been amazing 9 years of existence. The journey had many ups and downs, more of ups and less of downs. Let me take this opportunity to applaud the efforts of our students, their parents, our teachers and supporting staff for all their hard work, sincere and dedicated efforts in keeping the spirit of name of our college high.

On behalf of the Management, faculty and staff we reiterate our commitment to provide the very best in education and a conducive atmosphere for learning to all the strata of the society. Our prime commitment is to our students who are the main stakeholders of Higher Education. It is our prime responsibility to solicit all the support as well as provide the necessary assistance to our students in building their careers and shaping their personality.

Modern, global education, which heeds academic excellence, is the primary goal of growing, thriving educational institute like Laxmichand Golwala College of Commerce & Economics. Educational institutions serve as a backbone of a growing economy, ready to take on the mantle of a leading economic power and I am thankful for being a part of one such institute.

The Jubilant enthusiasm of all the members of the college is reflected in this year's magazine.

I/C PRINCIPAL

-Ms. Remya George

If you can change your mind, you can change the world. Before you can be creative, you must be courageous. Creativity is the destination, but courage is the journey.

- **Joey Reiman**

We find so many mistakes in people, in society, in the government, in system, in the world we live. It's very easy to find mistakes in others, in system but we fail to realize the exact problem which other person is going through or about the working of system. Many times, we go on complaining about changing others.

Rather than going to change others as we want, it's better to change yourself. If you change your mind, your thinking, you can change the world.

'To me, the greatest pleasure of writing is not what it's about, but the inner music the words make.' - Truman Capote.

In agreement with the above quote, I find writing as the most valuable literary expression.

This magazine is a platform to exhibit the literary skills and of students and teachers. The past year was full of various activities by the students and faculty in academic, co-curricular, extra-curricular as well as research and development.

It gives me great pleasure to bring you the sixth issue of the college magazine Mirror, presents the achievements of students and contributions of teachers. I would like to place on record our gratitude and heartfelt thanks to all those who have contributed to make this effort a success. I profusely thank the management for giving support and encouragement and a free hand in this endeavor. Last but not the least we are thankful to all the authors who have sent their articles. From the entire team of Mirror, I wish all the readers a happy reading!

Life

Life is beautiful and Every moment a celebration of being alive but one should be always ready to face a adversity and challenges. A person who has not encouraged difficulties in life can never achieve success. Difficulties test the courage, patience, perseverance and true character of a human being.

Brain Drain

Introduction – The oxford Advanced Learners dictionary defines Brain Drain as “Movement of highly skilled and qualified people to a country where they can work in better conditions and earn more money

Similarly – Cambridge online dictionary states “Large number of educated and very skilled people leave their own country to live and work in another one where pays and conditions are better.”

Additionally, brain drain has also been defined as the loss of human capital since it involves people with myriad specialized skills leaving their home country.

Undisputedly brain drain has financial repercussions on a country. Brain Drain in India. In 2015 India has the largest diaspora in the world at 1 billion million people followed by Mexico (12 Million other countries with large diasporas million, China (10 million), Bangladesh (7 Million), and Pakistan and Ukraine (6 Million) each it states.

Another report released by the US based National Science foundation states India origin scientists and engineers it the US grew 85 percent between 2003 and 2013 says a report by the National Science Foundation a key founder of research in the united states as well as a monitor of demographic change among scientists and technologists.

Nearly a million scientists and engineers of Indian origin reside in the US alone it adds

These figures are clear indictors that India is facing a massive brain drain causes of brain drain from

India

The phenomenon of brain drain from India is nothing new it can be traced to the British Colonial era

Erstwhile British rulers as the Indian sub-continent took by the persuasion or force. Indigo and sugarcane planters to lands as distant as Guyana in South America to Fiji in pacific Mauritius and elsewhere.

India craftsmen were relocated in England and other British Colonies where their skills could be used in various Industries.

In recent times brain drain from India has several factors. Very high salaries paid in foreign countries.

Lack of adequate employment opportunities in India Hope of a better and comfortable life style abroad.

Belief that working abroad improves marriage prospectus in India the Goa is example for brain drain in India

The tiny India state Goa with an estimated population of India of 1.5 million, accounts for some of the highest brain drain from India.

In 2016, an average of 11 resident of Goa per day gave up their India nationality to become citizen of Portugal Residents of Daman and Diu also traded their India Citizenship in favor of Portugal.

Highly skilled people from Goa opt of citizenship of a Portugal since the country is a member state of the European union. A Portuguese passport allow them visa free entry into the UK and other EU countries.

Right to Education

Education is a term which is more easily understood than defined. It has been derived from the Latin word "educator" which means the act of teaching or training. According to some, it has also come from another Latin term "educere" which means "to bring up", "to rise". Some also believe that it has been originated from the Latin word "educere" which means "to lead forth" or "to come out". Thus, education is regarded as "a process of drawing out from within." That is why, Gandhiji meant. By education I mean an all-round drawing out of the best in child and man, body, mind and spirit. Education is thus a process of self-expression. An individual expresses himself through education. These innate powers and potentialities are developed and drawn out through education. It is a means of adjustment of an individual with the society. It is a process by which he is brought into proper relationship with the ideas and mores, customs and traditions of the society.

The child is weak, helpless and ignorant at birth but he gradually grows and develops. He acquires knowledge and skills. He realizes thoughts into actions and satisfies his needs. He changes his behaviors according to his environment. The individual's education is the result of his learning and maturation.

Learning is living. Learning is the modification of behavior. This education is the process by which the knowledge, character and behavior of an individual are formed and modified. One's conduct and behavior are changed and refined according to the desired standard of the society. This is the result of education.

"Education is the most powerful weapon for changing world."

Consumer movement in India

Information; - The consumer movement is an effort to promote consumer protection through organized social movement which is in many places led by consumer organizations. It advocates for the rights of consumers especially when those rights are actively breached by the actions of corporations, governments and other organizations which provide products and services to consumer dissatisfaction of the consumers as many unfair practices were being indulged in by the seller. It was thought that passage of the Consumer Protection Act in India in 1986 would encourage consumers to stand up for their rights and lead to an overwhelming number of disputes in consumer court. Although a consumer movement as yet to get going in India, existence of the act has stimulated the creation of many consumer organizations across the country. The number of such organizations has more than doubled in the last few years so that there are now 600-800 organizations in the voluntary sector.

Problem of Consumer movement in India

- (1) Consumers were cheated by shopkeepers
- (2) This movement arose out of the dissatisfaction of the consumers as many unfair activities were indulged in by the sellers.
- (3) They increase the prices, the consumer feels cheated.
- (4) There is lack of knowledge about the consumer movement.
- (5) Consumers may require to hire a lawyer to settle their case
- (6) In some countries the consumer movement is not that strong.
- (7) So they started a movement named consumer movement.
- (8) The consumer redressal process is often time-consuming and expensive
- (9) Lack of awareness among the people about their rights and duties.
- (10) Consumer movement to redress substantially the relative power of the problem and issues that affect.

Global Warming

The average global temperature has increased at the fastest rate in recorded history and experts see the trend is accelerating. All but one of the is hottest years in NASA's 134-year record have occurred since 2000.

Climate change deniers have argued that there has been a "pause or a "slowdown" in rising global temperature but several recent studies including a 2015 paper published in the journal science, have disproved this claim. Course global warming

A Global warming occurs when carbon dioxide (Co2) and other air pollutants and greenhouse gases collect in the atmosphere and absorb sunlight and solar radiation that have bounced off the earth's surface. "When his ship first came to Australia cook wrote the natives continued fishing without looking up unable it seems to fear what was too large to be comprehended.

आयुष्यात आपल्याला जे कही आहे त्यात आपण समाधानी राहिले पाहिजे. आयुष्यात खुप व्यक्ती येतात आणि जातात. आपल्या आयुष्यात आपल्याला शेवटपर्यंत साथ देणारे आई आणि बाबा आहेत. आयुष्य एक अस आहे जे परत मिळत नाही. आयुष्य म्हणजे एक गणित आहे. त्यात सर्वांची प्रश्नपत्रिका वेगवेगळी आहे. जितक ते आपण सोडवू तितक ते वाढत जात. आयुष्य म्हणजे खेळ नव्हे. मिळाल म्हणून आपण मोज मज्जा करावी. या आयुष्यात आपण आपल्यासाठी आपल्या आई वडिलांसाठी काहितरी केले पाहिजे. त्यांना कीती दुःख असत पण ते आपल्याला सांगत नाही पण आपण पण तितक त्यांना समजून घेतल पाहिजे ते पण आयुष्य जगतात ना. आयुष्यात कही गोष्टी चांगल्या आणि कही गोष्टी वाईट पण असतात. पण त्या गोष्टींना आपण सामोरे गेल पाहिजे. आयुष्य आपण आनंदाने जगल पाहिजे. जे कही दुःख आहे त्याला सामोरे जाऊन आयुष्य जगल पाहिजे.

खर सांगु कही कही जण आयुष्यात मज्जा मिळावी म्हणून किती तरी खोट बोलतात. पण नंतर वाईट परिस्थिती आली मग त्यांना महागात पडते. म्हणून बोलते कहीही करायची आधी खुप वेळा विचार करा. आपल्याला आयुष्य एकदाच मिळत आणि ते आपण आनंदात जगल पाहिजे. आयुष्य एक अस आहे त्यात कितीतरी संकट येतात आणि जातात पण आपण सामोरे गेले पाहिजे म्हणून बोलते आयुष्य आनंदात जगा.

गरिबी

गरिबी एक अशी बिषट परिस्थिती आहे, की माणूस पूर्णपणे खचून जातो. गरिबी एक खूप मोठी समस्या आहे. आपण म्हणतो भारत माझा देश आहे. पण भारतात आपण एक जूटीने राहतो. पण आपल्याच देशात आपलीच माणस उपाशीपोटी राहतात. आपल्या भारत देशात वेग-वेगळ्या जातीचे – धर्माचे माणसे राहतात पण त्याच माणसांना दररोज उपाशीपोटीच राहव लागत.

माणूस एक असा प्राणी आहे. ज्याला राहण्याला घर, जेवायला जेवण, पिण्याला पाणी इतर महत्वाचे घटक लागतात. गरिबी का होते ? कशामुळे होते? हे प्रश्न आपल्याला नेहमीच पडतात पण आपण कधीच त्याचा शोध नाही लावत.

गरिबी ही वाढत्या जनसंख्येमुळे वाढते. मुंबई एक असा शहर आहे ज्यामध्ये अनेक जनसंख्येने माणसे राहतात. हे वाढती जनसंख्या का होते कारण आपला भारत देश एक असा देश आहे ज्यामध्ये अनेक जनसंख्ये आहेत. आपल्या भारत देशात अनेक नियम व अटी पालन आहेत. पण भारतात नियम आहेत पण कोणीच त्याच पालन करत नाही. आता आपण बघितल तर चीन, जपान ह्या देशात एक नियम आहेत की आई-बाप आणि बाळ असे नियम आहेत. तिथे असे नियम आहेत की एखादा बाळ आपण कसायच. इतर एकपेक्षा जास्त बाळ असेल तर त्याला आमी मध्ये घेतात.

आपल्या पण देशात असेच नियम झाले पाहिजेत ज्याने कळून आपल्या देशात पण जनसंख्या वाढणार नाही. जर जनसंख्या वाढली नाही तर गरिबी होणारच नाही.

बहल गया सब कुछ - - - - -

छोटी सी एक कहानी थी,
पर लगती अब अनजानी सी,
न सहेजा इसे तो बन जाएगी बेगानी सी।
क्योंकि बहल गया वक्त, बहल गया सब कुछ।

बचपन जो खेला करता था इस मिट्टी में,
न जाने क्यों खो गया आज की स्थिति में,
रिमसिम बूंदों तले,
जो कभी तैराता था कागज की नाव।
कतराता है उसी मिट्टी से,
कहीं मर्दान हो ना जाए पाँव।
क्योंकि बहल गया वक्त, बहल गया सबकुछ।
ना वो रक्त, न मौसम, न वो वाश्नि,
चारों तरफ मानो, बस पत्थरों की खाश्नि
बाहरी चकाचौंध और दिक्कतों की
लालसा से जीवन में है होड़,
भूल आए वो सुंदर गालियाँ और चौबारा,
रहा गया पीछे वो मोड़,
क्यों की बहल गया वक्त, बहल गया सब कुछ।
इस अनावटी जिंदगी में, नजर नहीं आता
कहीं सुकून का छोर,
वक्त रहते ना संभले, तो न जाने ये लालसा
न जाएगी किस ओर
फड़िन परिस्थितियों की होती
रहेगी तुम पर बौछार, फिर भी - - - - -

દોસ્તી રાખવી એ સારી રીત છે. દોસ્તી નેટલી દોસ્તી, કરવી સહેલી છે. એટલી જ નિભાવવી પણ કંડીકા છે. દોસ્તી ની હાશ્વત તો થતી જ હોય છે. દોસ્તી માં હસવું અને રડવું તો ચાલતું જ હોય છે. દોસ્તી ન રાખીએ તો યુવનમાં આપણને એકલપણું ભાગે છે. દોસ્તી એવી રાખવી કે આપણને હંમેશા કામ આવે. જ્યારે જરૂર પડે ત્યારે ત્યારે એ હંમેશા આપણા સાથે કામ આવે. દોસ્તી માં ભરોસો હોવો જરૂરી છે. દોસ્તી માં જગડો તો ચાલતો જ હોય છે. તો તેમાં નિરાશ ન થવું જોઈએ. એ જગડા નો ઉકેલ કાઢી આપણ વધવું જોઈએ. એકદિવસ પણ દોસ્તી તુટે તો આપણને એકલપણું ભાગે છે. એવું ભાગે છે કે યુવન અધુરું છે. દોસ્તી એ તો આજકાલ યુવનનો મહત્વનો પાસો થઈ ગયા છે. દોસ્તી વગર યુવન અધુરું છે. અને દોસ્તી પણ મર્યાદા હોય છે. મારે દોસ્તી રાખવી એ સારી રીત છે. દોસ્તી માં જરૂર પડે એટલે દોસ્ત કામ આવે જ છે. દોસ્તી માં હાશ્વત તો થતી જ હોય છે. જ્યારે હસવું તો જ્યારે રડવું ચાલતો જ ચાલતું હોય છે. અગર આપણો મુસ્કિલો માં હોય તો દોસ્તીને કહેવાથી મગજ નો ભારો આહો થઈ મથ છે. મારે દોસ્તી જરૂરી છે.

આજકાલ દોસ્તી વગર કોઈ રહી શકતું નથી મારે દોસ્તી જરૂરી છે.

૨૧ મી સદી નું શિક્ષણ કેવું હશે

૨૦૧૫ ના રોજ અમદાવાદ કોલેજ ઓફ ટેકનોલોજી ઓફ ઇન્ફોર્મેશન ટેકનોલોજી માધ્યમિક શિક્ષકો નું અધિવેશન યોજાઈ ગયું. જેમાં તેમણે ૨૧ મી સદીના શિક્ષણ વિશે વિચારણા કરીને વધુ માડીની મેળવવાનો અર્થ જણાવ્યો હતો. જે શિક્ષણ માટે સારી બાબત છે. કારણકે શિક્ષક અને શિક્ષકની સમસ્યાઓ નહીં પણ શિક્ષકની પાઠાયાંતા કરે એ તેવો એક સારો મેસેજ સમાજ સુધી પહોંચે છે. શિક્ષકો પોતે ૨૧ મી સદીના શિક્ષક બનવા માંગે છે તે પણ સાબિત થાય છે. ૨૧ મી સદીના શિક્ષણ વિશે તેમની સામે આપેલા પ્રવચનના કેટલાક અંશ અહીં રજૂ કરું છું.

માલાસની સરેરાશ ઉંમર ૭૦ વર્ષ ગણીએ તો બાલમંદિરમાં જન્મ્યા બાદ જન્મ બાલક ઈ.સ. ૨૦૦૦ માં જુવનમાંથી રિટાયર્ડ થશે અને નોકરીમાંથી ૨૦૬૭ માં રિટાયર્ડ થશે. આજે આપણે કહીએ હીએ કે દુનિયા દરરોજ બદલાતી જાય છે. પાંચ વર્ષ પછી કેવા પરિવર્તન હશે તે વિચારવું અઘરું છે તો મિત્રો વિચારો કે ૭૦-૭૦ વર્ષ પછી કેટલા અને કેવા પરિવર્તન આપ્યા હશે?

૨૧ મી સદીનું વિશ્વ ટેકનોલોજીકલ વિશ્વ હશે. ઇન્ટરનેટ જે કોઈસેર ફેમિલી ફ્રેન્ડશિપ દ્વારા થયેલ સર્વે મુજબ ૮ થી ૧૮ વર્ષની બાલક દરરોજના સરેરાશ ૬ કલાક ઇલેક્ટ્રોનિક મીડિયાનો ઉપયોગ કરે છે જેમ ઈ.વી. એલફોન વિયોગોગેમ તેઓ મલ્ટીટાસ્કિંગ (એક સાથે એક પ્રત્યેક વધુ કામ કરવા) છે. ઇન્ટરનેટ પર કામ કરતા કરતા જુગીક સાંભળશે કે ઈ.વી. જોતા જોતા મિરાને એસ. એમ. એસ. પણ કરે છે. આજનો વિદ્યાર્થી આજે કે ઇલેક્ટ્રોનિક સાધનો કેવી રીતે વાપરવા અને શું ઉપયોગ કરવો આજનો વિદ્યાર્થી ડિજિટલ લર્નિંગ બનતો જાય છે. ભવિષ્યમાં થોડા વર્ષો બાદ જન્મ બાલક આઈસાઈડ તરીકે ઓળખાશે.

૨૧ મી સદીને સોનાની પેઠી બનાવવાની છે. માડીતીનો ખજાનો નહીં આ સમયે જાણની પૂઠપરફની બારી બનાવવાની છે. ૨૧ મી સદીમાં સરકારી શાળા કોલેજ નું આકર્ષણ હશે. જ્યાં પ્રવેશ મેળવવા પડાવી ધતી હશે. કારણકે સરકારી શાળા કોલેજોને ગુણવત્તામુક્ત અને સંગઠનથી ભરપૂર બનાવવા માં આવશે દરેક કોલેજમાં અને મોટી શાળામાં ઈલાયજરી હશે. કેમકે તેમણે ઇન્ટરનેટ દ્વારા વિદ્યા માડીતી મેળવતો હશે જેથી વર્ગખંડની આવ ઈલાલ બહુ પછા વિદ્ય બળતો હશે, શીખતો હશે આજે મેલા મલત્ત આંતરરાજ્ય પ્રવાસે ના બદલે આંતરરાષ્ટ્રીય પ્રવાસો થતા હશે. દરેક વર્ગખંડ માં લેબકેમરા હશે. જેથી ગૌરુગર વિદ્યાર્થી કે તેના વાલી ઘરે ફોઈંગરુમ માં જેમણે પણ શિક્ષકનું લેકચર સાંભળી શકશે. વિદ્યાર્થી પોતાના પ્રોજેક્ટ માટે શિક્ષણ પર અવલંબિત નહીં હોય પણ ઇન્ટરનેટ અને વીડિયોકનુદા સાથે વધુ જોડાયેલો હશે.

આચાર્ય વિદ્યાર્થી એકત્રી જ કામ કરે છે. તેના બદલે તે જૂથમાં આને દુનિયાના અન્ય લોકો આથો મળીને કામ કરતો કરે. તેના મારેનો વર્ગખંડ માત્ર આર દીવાલો જ નહીં હોય એમની સદીનો વર્ગખંડ એટલે દુનિયાનો કોઈપણ ખૂણો કરે.

એમી સદીમાં દુનિયામાં ભારતીય મૂલ્યોને સ્વીકારવા પડશે જ. બીજી રીતે કહીએ તો ભારતીય મૂલ્યોએ વૈશ્વિક મૂલ્યો મળી જશે. જેનો સમાવેશ અભ્યાસક્રમમાં કરવામાં આવશે. અભ્યાસક્રમ પ્રોજેક્ટ આધારિત કરે. પાઠ્યપુસ્તકનું વિષયમુક્ત વિશેષ કરે. અભ્યાસક્રમમાં મુખ્ય કૌશલ્ય પણ સમાવેશ કરવામાં આવ્યો કરે. પાઠ્યપુસ્તક ઉપરાંત સંદર્ભ સાહિત્ય પ્રિન્ટેડ આર્ટિકલ કરે અને ડિજિટલ વધારે પ્રમાણ કરે. વિદ્યાર્થી વર્ગખંડમાં નાનું સ્વચ્છ અને શૈક્ષણિક કમ્પ્યુટર લઈ ને જ જતો કરે. બજારમાં આચાર્ય જેમ દરેક દોરણો કે વધુના પાઠ્યપુસ્તકો મળે છે તેના બદલે મોબાઇલ ફોનના સીમકાર્ડ જેટલી સીપ મળતી કરે. વિદ્યાર્થીનું દોરણ બદલાય એટલે તે બજારમાંથી ઉપલબ્ધ દોરણની સીપ ખરીદી લેશે. ઉપરાંત સંદર્ભ સાહિત્ય કે અન્ય ચિત્રો, વિડિયોની પણ સીપ મળતી કરે. જે તેને વધારાની માફતી પૂરી પડશે.
