# ***ANNUAL REPORT***

**2022-23**

# **“Education is not the learning of facts, but the training of the mind to think”**

**ALBERT EINSTEIN**

In this age of globalization where information is easily and universally accessible, we aim to provide the tools necessary for our students to face the challenges in the world. We truly believe that the foundation of a strong and prosperous nation lies in its youth, and an educated mind can contribute radically. We are happy to announce that our institution is providing higher education to more than 2200 students in various graduate & post graduate programmes affiliated to University of Mumbai. This year is marked with many events and successful stories. This can be attributed to the dedication and team spirit of the staff, students, members of the management and other stake holders of the institution.
